

## Quality Policy

NSI Management and employees are committed to our Quality Policy:

1. To exceed the expectations of our customers.
2. Continuous improvement through ISO 9001: 2015.
3. To communicate our Quality Objectives to all employees.
4. Improve productivity in order to achieve a competitive edge.

***Details make the difference- focusing on the details during every step of the process ensures that each action will yield a quality result.***
