Overview

Features:

- . Includes a wing flag with full color, CMYK digitally printed graphics.
- . Carbon composite fiber poles, superb flexibility to prevent breaking.
- . The Water Base is designed to fit over the Rotating Base above, this gives greater stability outdoors in windy weather.
- . Flagpole is lightweight .Simple handling, no tools required.

Description:

Wing Banners are great for indoor and outdoor use and are available in a range of sizes. The innovative rotating mechanism allows them to 'feather' out the wind and they are effective individually or in a cluster. Our wing banners are made up of 2 piece aluminum pole and 2 piece carbon pole that inside into `the` hem of a digitally printed and a full-color polyester weave banner that stands upright on the steel base. This portable flag stand are not designed to be used in winds exceeding 20 MPH.

Note:

Graphic artwork and printing idea are both accepted.

Graphic file requirement?
