Overview

Feature:

- . Unique, versatile pop-up tower is easy to use and handling.

Includes:

- . Custom printed graphics on PVC boards
- . Round aluminum frame with magnetic connections
- . 9 magnet bars
- . Round trolley bag

Description:

The Pop Up Tower makes an ideal kiosk and attention-grabber for point-of-purchase displays. It's quick and easy to install graphic towers by just one person. After use they stow neatly into an transit case for safe storage and easy transportation. The case fits into most saloon and estate cars. No tools are required to erect graphic towers as both the pop up frame and the graphic panels lock into position with the clever use of magnetic technology. Graphic Panel sizes are 3No. centre panels 222cm (h) x 67.4cm (w). We're on hand to help organise your artwork and make buying your Pop Up Display with us a positive, hassle-free experience.

Application:

The 360 degree branding solution. Ideal as a stand alone display or as part of a larger exhibition display system.
