Overview

Feature:

. 7.5ft straight pop up display with spring connections. Graphic is on magnetic panels to combine a whole unity. This is the traditional one.

Includes:

- . Custom printed graphics on PVC boards (Not include end caps)
- . Straight aluminum frame with spring connections
- . 18 magnet bars
- . Hard plastic case

Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place with provided springs. Metal posts attach magnetically with backgrounds that clip into place. Printed on knitted polyester with a 720dpi resolution, your custom graphic is sure to draw attention to your booth. The graphic uses high resolution panels. These durable trade show display panels will not tunnel or separate from years of rolling. Every set pop up display comes with a heavy duty travel case at no extra cost.

Application:

This pop up display is perfect for trade shows, conventions, exhibitions and others.
