Overview

Feature:

. 10ft curved pop up display with spring connections. Graphic is on magnetic panels to combine a whole unity. This is the traditional one.

Includes:

- . Custom printed graphics on PVC boards (Include end caps)
- . Curved aluminum frame with spring connections
- . 21 magnet bars
- . Hard plastic case

Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place with provided springs. Metal posts attach magnetically with backgrounds that clip into place. Printed on knitted polyester with a 720dpi resolution, your custom graphic is sure to draw attention to your booth. Each unit is easy to ship or carry along with the included case. Every set pop up display come with a heavy duty travel case at no extra cost.

Application:

This "pop up display", also known as exhibit booth, is perfect for presenting 10ft wide graphics at trade shows, conventions and exhibitions.
