- . 12 plastic strips
- . 27.6m magnet tape
- . 6 PVC panels
- . Hard plastic case

Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place after you connected the magnetic blocks. Assembling the unit will take less than 10 minutes! The trade show display is very vibrant and attractive. This popup exhibit includes a molded hard plastic case. This trade show display case features built in wheels for easy transport of booth materials. The carrying case makes this unit perfect for those users on the go.

Application:

This "pop up display", also known as exhibit booth, is perfect for presenting 10ft wide graphics at trade shows, conventions and exhibitions.
