Overview

Feature:

. 10ft straight pop up display with magnetic connections. Graphic is on magnetic panels to combine a whole unity. Magnetic connections can be more convenient.

Includes:

- . Custom printed graphics on PVC boards (Not include end caps)
- . Straight aluminum frame with magnetic connections
- . 21 magnet bars
- . Hard plastic case

Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place after you connected the magnetic blocks. Metal posts attach magnetically with backgrounds that clip into place. Printed on knitted polyester with a 720dpi resolution, your custom graphic is sure to draw attention to your booth. This pop up exhibit includes a molded hard plastic case. This trade show display case features built in wheels for easy transport of booth materials. The carrying case makes this unit perfect for those users on the go.

Application:

This "pop up display", also known as exhibit booth, is perfect for presenting 10ft wide graphics at trade shows, conventions and exhibitions.
