### Overview

- Custom-printed double-sided graphic
- Adjustable height
- Includes poster stand with the cost of the graphic
- Four (4) day lead time

This is a versatile banner stand that is easy to put into place. The two-sided design keeps custom banners visible from anywhere in the exhibit hall or lobby. Two 39" wide banners can be hanged back-to-back on the sturdy steel stand to improve traffic towards the display.

The banner stands are made with heavy-duty tubing and a solid, spring-lock base in order to stay stable and upright in crowded conditions. It assembles quickly, without the need for tools. A soft, woven poly banner will be notched at the top and bottom to fit on the stand.

**Application:**

Perfect for trade shows or exhibit halls
