Overview

- High quality but low price
- Quick and easy to assemble
- Snap-frame rails enable easy graphic changing
- Highly stable lightweight silver frame

This is a lightweight and portable banner stand that causes plenty of impact.

Add interest to trade show displays without adding weight. This banner stand with custom graphics weighs only 4 pounds, but still gets your message across very well. Additionally, this banner stand mounts quickly on the flexible tension bars to display custom graphics on a smooth, stable surface, giving trade show displays or presentations more visibility and impact. Once assembled, the banner stand can be easily moved around. When finished, the stand can be rolled up and stored inside a compact carrying case.
