Overview

- . Magnetic Auto Open Feature.
- . Over-center pressure adjustment.
- . Digital time and temperature controller.
- . 15 x 15 inch Teflon coated upper heat platen.
- . Slide Out Press Table for Convenient Preparation.

Description:

This semi-automatic heat press machine uses advanced air spring with high temperatures and pressures, in order to make an exact transfer on t-shirts, pants, cloth, and similar materials. The upper heating board opens automatically when it reaches the time at which the alarm was set. The lower heating board can be pulled out completely; this will enlarge and improve the working space so operation can be performed more efficiently.

The case in which the machine is stored is available in different colors, which can be chosen according to your preference, as long as they are in stock. The machine color can be ordered, although a waiting period and an additional charge should be taken into consideration. This applies only to bulk orders.

Warranty and after-sale service

One year limited warranty; spare wearing parts do not apply.

24-hour technical support by email or telephone.

User-friendly English manual, explains how to operate the machine and the required maintenance.
