Overview

- Adopting unique touch mode, convenient to use.
- Full LED digital display, accurate time and temperature display.
- Real-time display of temperature condition with automatic alarm.
- Improved structure of pressure ensures the evenness of pressing.
- Exquisite, unique design, no need air compressor additionally.
- Higher pressure guarantees the perfect printing.

Description:

This Electric Heat Press Machine uses intelligent gauge, and has digital temperature controller, time controller and pressure controller. Adopting unique touch mode, turn on power makes the machines for higher level. Button mode is easy while using the machine compared with traditional hand press machine. Compared with air-pressure heat transfer machine, this machine do not need air compressor and there is no louder noise made by the compressor, so more convenient for using in your home.

Application:

It is widely used in transferring T-shirts, bags, pants, ceramic sheet and others which are made of textile, knitting, non-woven, chemical fibre or cotton materials, and metal sheet, adorning, etc.

Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.

Guarantee & Aftersales Service

Comprehensive guarantee for one year except the wearing parts.
24-hour technical support by email or calling.
User-friendly English manual for machinery using.

Details

Profile	Electric Heat Press Machine use intelligent gauge,and
Certificate	CE
Power	1800W
Working Size	15.0"x15.0" (380x380mm)
Size	15"*15"
Operation Method	Automatic
Working Table	Single Working table
Application	Single Function

Specifications

Specification:

- Voltage: 220/110V
- Power: 1800W
- Temperature range: 0-399(?)
- Time control: 0-999 sec
- Printing area: 15.0"x15.0" (380x380mm)
- Packing size :27.6"x22.4"x32.3" (700x570x820mm)
- G.W.: 86kg
