Overview

- Temperature and time with electronic control.
- With manual and automatic device.
- Return normal situation when finish working.
- Adjust pressure accurately to ensure the perfect printing effect.
- Swing away style with air automatic handle.
- Emergency-Stop button, more safe and convenient for using.

Description:

This Pneumatic Pattern Head-shaking Heat Press Machine is a kind of high efficient machine with smart structure. It has fine workmanship made of good material. It's durable and delicate.

The machine needs air pump to work together for high efficiency, so it's suitable for line works because of high speed.

Application:

It's widely used for T-shirts, pants, cloth, metal sheet, etc.

Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.

Guarantee & Aftersales Service

Comprehensive guarantee for one year except the wearing parts.

24-hour technical support by email or calling.

User-friendly English manual for machinery using.
