- High quality self-healing Cutting Mat (Cutting Pad) provides a self-healing, non-slip and non-marring cutting surface with cm grid lines.
- Guide markings can help to measure different types of paper and card accurately and minimize cutting errors.

Details:

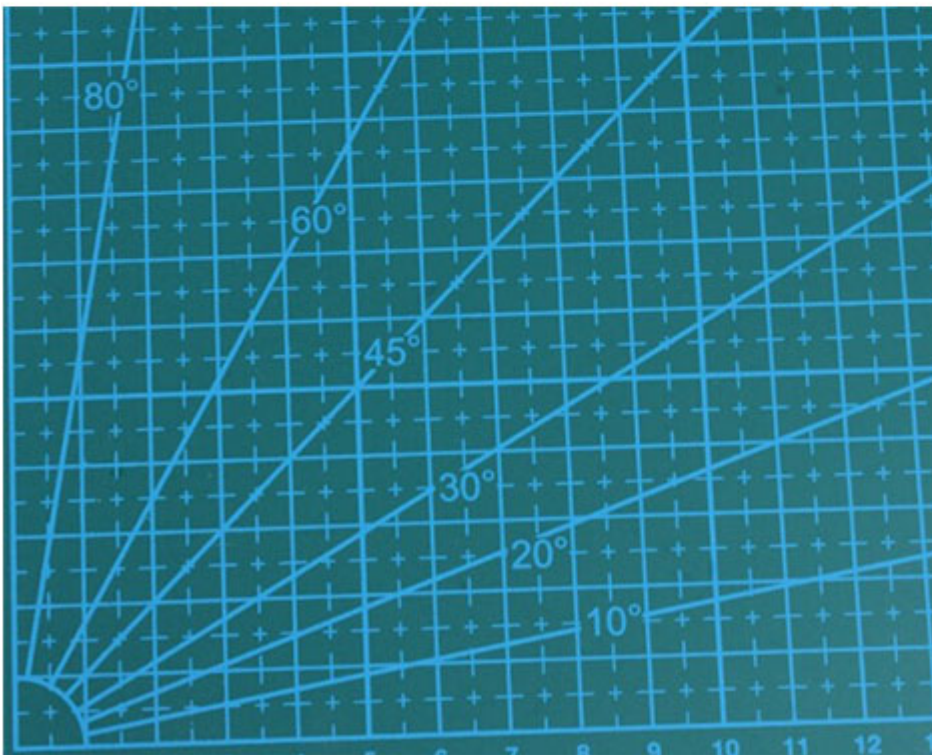

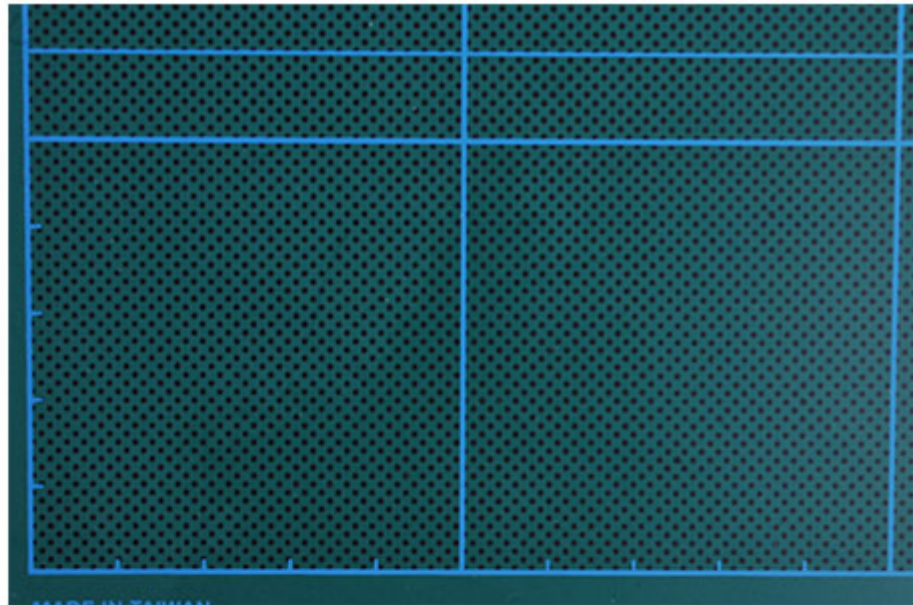

Good quality of white PVC board in the core.

Guidelines are printed on double sides ensure accurate cutting.

Back side of
guideline. →

Preprinted angle
lines at 10, 20,
30, 45, 60, 80
degree for
convenient use.

Warm Tips:

1. The cutting mat should be stored in cool and dry place, meanwhile keep away from direct sunlight.
2. Keep the cutting mat flat or hanging and avoid wrapping.
3. Please cleaning the cutting mat with warm water and mild cleanser.
4. Don't overuse the cutting mat in the same area to avoid it will be over damaged.

Applications:

It is widely used together with craft knife and protection ruler for cutting paper, KT board, PVC board, canvas, etc.
