Plastic material has good toughness and no distortion;

The edge of knife has good smoothness, green and safe;

The tail can be unfolded, you will find a blade for free.

SK5 hook knife is lightweight,  
safe and practical

When replacing the blade, you just  
need to push back the driver,  
replace the new blade, and then  
push back the driver.

It is a tool, used for cutting board materials, like  
acrylic board.
