Overview

Description:

This 15.8 inch desktop cutting plotter has a contour cutting function and is used to cut all kinds of pictures, letters on self-adhesive vinyl, stickers. It is made in China and comes with one year warranty.

Application:

The mini desktop vinyl cutter is designed for office and home use. It is really good for your business. It can make your work easier and faster for making any kinds of designs. It can cut sticker and decal vinyl, masking film for painting or etching, vinyl lettering, decorative scrapbooking papers, card stock, stencils, magnetic sheet, stickers for signage, glass sign decals, penaflex, etc. As well as all kinds of T-shirt heat transfer media like: flex, flock, Magi Cut colored paper for garments, etc.

Product Highlights:

- Low cost and high performance sign making machine.
- Controlled by RISC high speed processor, high speed cache.
- Unique soft impact cutter for smooth cutting.
- The mini cutting plotter adopts the latest numerical technology: it can regulate the pressure and speed in real-time numerically. This is very convenient and fast.
- It has a perfect output: there's no saw tooth even when using high speed.
- The cutting plotter is highly stable and has nearly no malfunction.
- The cutting plotter has a nice appearance and very solid support, to avoid wobbling while cutting.
- The cutting plotter has LCD with a very accurate and simple English Menu, operated it by pressing buttons. .
- The plotter's pinch rollers are adjustable, so the paper stays in place when using rolls of media.. With this function, you can use the plotter to make materials for large light boxes.
- This cutting plotter can work with Artcut, Flexi Sign, Signcut, WinPCsgin, SignBalzer, SignLab, etc. CorelDRAW plug-in driver (Cutmate2.0) is available for this machine. It supports direct cut-outs from `CorelDRAW` 11, 12, X3.

Standard Accessories:

- . WinPCSign basic 2009 (Contour cutting version).
- . User Manual (CD), CorelDRAW driver Cutmate2.3 (optional)
- . 1 RS232 serial cable.
- . 1 power cable.

- . 3 cutting blades.
- . 1 blade holder.
- . 1 pen holder.
- . 1 coat for the plotter.
- . 1 deluxe aluminum stand (optional).
