Choose Pictures → **Process Pictures** → **Print** → **Get Pictures**

Multifunction
The vacuum sublimation transfer machine, multi-function, with a variety of fixtures can produce different products.

Various Fixtures

The diagram illustrates the workflow of a multifunction vacuum sublimation transfer machine. It starts with 'Choose Pictures', followed by 'Process Pictures' (represented by a computer monitor), 'Print' (represented by a printer), and 'Get Pictures' (represented by a photo of two women). Below this, the machine is shown with a red arrow pointing to it from the 'Print' step. The machine is labeled 'VACUUM PRESS' and 'SUBLIMATION'. Below the machine, a section titled 'Various Fixtures' shows four examples of fixtures: a green mug, a blue tray, a white box, and a white sheet. At the bottom, there are images of various products that can be produced using the machine, including mugs, a t-shirt, a phone case, and a calendar.
