The table throws will be shipped out within 2 working days after the conformation of your picture.

Description:

Custom printed table covers are the perfect accessories for your trade show counter! Featuring a 2-color graphic imprint on the front panel, these table throws are sure to get your logo or name noticed in busy convention halls. These printed table covers are designed for use with standard 8ft rectangular counters. For extra convenience, the cloth has an open back to provide access to the area below the booth or room for seating. These printed table covers are machine washable.
