Related Quotation Instructions

Our website quotation is designed by an expert team that just provide a vector graphic (no matter simple texts or complicated logo images) in PLT format (which is exported by CorelDraw), and upload it to our website, then will get a precise quotation which saves time from communicating. Comparing with the unclear estimated quotations of other websites, ours is calculated based on the actual production process and cost of channel letters as a result it helps customers save cost.

Description:

Outdoor Back lit Customized Advertising Mini Acrylic 3D LED Channel Letters Signs

Mini letter (3D stereo) is small, thin, light so called mini letter.

The mini channel letter is a lighting signage product which adopts full imported polymer materials, and engraved by engraver. It appears beautiful, exquisite, small, graceful, luxury and fashionable.

Appearance is better than ordinary advertising letters, very stylish and charming advertising technology products.

The mini channel letter is applied in middle and high places, such as brand stores, brand chain stores, and etc.

Min LED channel Letter is newest LED signs, welcome for it's beautiful, delicate, can be used as brand display, LOGO identify, widely used in shopping mall, brand company's logo such as Apple, Samsung, Puma, Adidas, Nike and CocaCola, etc, luxury brand shops such as Hermes, Chanel, Dior, Prada, D & Burberry, Fendi, Armani, Hugo Boss etc. Hotel, Pub, Restaurant, coffee store, Club, Fast Food Restaurant, Supermarket etc.
