**Step 3.**

Make payment and wait for your item.

[Checkout](#)

## Related Quotation Instructions

Our website quotation is designed by an expert team that just provide a vector graphic (no matter simple texts or complicated logo images) in PLT format (which is exported by CorelDraw), and upload it to our website, then will get a precise quotation which saves time from communicating. Comparing with the unclear estimated quotations of other websites, ours is calculated based on the actual production process and cost of channel letters as a result it helps customers save cost.

### How to quote and order custom-made signs?

#### Precise Quotation

[Browse](#)

Upload PLT format image →

[Submit](#) →[Preview Image](#) →[Get the price and shipping weight](#)

If you have special requirement, please add notes or contact our customer service staff.

#### Reference Price

We will give you about ten different size of channel letters prices for your reference, but this is not the final order price.

#### Customer Service Contact

If you want a precise quotation but without PLT document, please contact our customer service staff and tell us your requirements with images.

If you don't have an artwork file of your led letters, we can design it for you as well.
