QA

Q	What kind of ink use to this printer?
---	---------------------------------------

A	<p>There are two kinds of ink are optional, one is water based ink which is only for print on carton T shirts, an other is ECO solvent ink which can print on other materials.</p> <p>Reply by sign-in-china</p>
Q	<p>HI, what material need pre-coating?</p>
A	<p>We are using the Eco solvent direct ink, so can print on most of the materails without coating. But suggest put some varnish on original wood and glossy metal.</p> <p>Reply by sign-in-china</p>
Q	<p>Does the ink dry water proof?</p>
A	<p>The ink is waterproof.</p> <p>Reply by sign-in-china</p>
Q	<p>Can it print white ink?</p>
A	<p>We don't suggest use the white ink, as it is not have mature ink for solvent white ink. Only when customer have special use on it.</p> <p>Reply by sign-in-china</p>
