QA

Q	I would like to know what headprint its used, if Epson may i know which model. Does the printer come with software and ink.
A	<p>The printhead is Epson 4880, it comes the RIP software, but you need to buy the inks additionally.</p> <p>Reply by sign-in-china</p>
Q	This printer can used to print white ink?
A	<p>Yes, all the T-shirt printer can use white ink.</p> <p>Reply by sign-in-china</p>
Q	Does it work on any garment fabric? (example: cotton, polyester, silk and etc)
A	<p>Yes, and we suggest printing on the cotton materials.Thanks</p> <p>Reply by sign-in-china</p>
Q	What inks do you use for printer?

We use Dupont sublimation ink.Thanks

A

Q

We ask 1liter for ink how many t-shirt can print?

A

10ml ink can print on 1 square meter, so you can calculate how many T-shirt per 1 liter printing, to your sized of the color images.
