Overview

- 3-sided display attracts attention from all angles
- X-large 85" height won't be missed at busy events
- Includes three full-color custom-printed vinyl banners
- Aluminum design is lightweight, compact, and easy to set up

This 3-sided banner stand, also known as a tri-banner display, offers a high impact design for occasions when a 360° visibility is important. Sold with 3 printed vinyl banners, this stand will draw attention from any direction. Each 3-sided banner stand is made up of three joined panels measuring 35.4" wide by 85" high.

Being such a large display, this 3-sided banner stand will command attention no matter where it is used. Although this tri banner display stands 10' high, it is a lightweight unit that folds up easily for travel. Each banner stand is made up of three panels that feature flexible aluminum poles and have bungee cords running through the center; this allows them to fold up, yet still remain attached. Despite its large size, this banner display easily packs down into a manageable shipping box for transportation and storage. This 3-sided banner stand is sold with three full-color custom-printed banners; each banner may be printed with a different graphic image.

Application:

Great for trade shows, exhibitions, conventions and other marketing events.
