Q	<p>What degrees would you advise for heating transfer with machine?</p>
A	<p>Actually small differences exist between different colors, and usually we do heating in 100-160 degrees Celsius.</p> <p>Reply by <a href="#">sign-in-china</a></p>
Q	<p>hi can you ship this item to lagos , nigeria ?</p>
A	<p>Dear customer, we can ship to Lagos, Nigeria. If by air, the lead time is 5 - 7 work days; if by sea, lead time is about 45 days. Thanks</p> <p>Reply by <a href="#">sign-in-china</a></p>
Q	<p>Good day, will there be extra cost for delivery in Namibia? If i buy the 8 in one combo, is it possible to print on the sublimation paper with any printer or must i buy the printer from you. What will the start up cost be?</p>
A	<p>Dear customer, thanks for your message</p> <p>1) You just need to pay only product cost and freight cost, then we will ship the machine and charge no extra cost.</p> <p>2) You need to use printer with Piezo printhead, such as Epson, Mutoh, or Mimaki. We can provide various printers but it is not a must to buy from us.</p> <p>3) You may refer to our heat transfer system for the start-up cost:<a href="http://www.sign-in-china.com/catalogs/155/Heat_Press_System.html">http://www.sign-in-china.com/catalogs/155/Heat_Press_System.html</a></p> <p>Thanks &amp; regards</p> <p>Reply by <a href="#">sign-in-china</a></p>
