Overview

Cabinet Frame Full-auto Self-peeling Model

This series of cold laminator is updated from `the` FMJ-ZJ Series Stand Frame Cold Laminator.

Roll-to-roll supported operation to maximize productivity.

The FMJ-ZJX series laminator is capable of running a wider range of media and can generate higher process speeds, which make this range of machines ideal for business that are looking to build in extra capacity and more versatility.

It's a perfect fit for owners of lower-end laminators, looking to upgrade into `a` professional production machine.

The machine is available in 43.3" (1100mm), 55.1" (1400mm), 65.4" (1660mm), 66.9" (1700mm), 80.7" (2050mm), 90.6" and (2300mm) models.

Products Highlights:

- . Perfect for high volume over laminating and mounting.
- . Roll-to-roll supported operation to maximize productivity.
- . This series of cold laminator is updated from `the` FMJ-ZJ Stand Frame COLD Laminator. The cabinet frame design makes the structure more stable for working.
- . 43" (1,092mm), 51" (1,295mm), 63" (1,600mm), 67" (1,702mm), 81" (2,057mm), and 91"(2,311mm) working film width for your convenience.
- . 3" (76mm) core auto-grip rollers for easy laminating film setup.
- . 5" (127mm) rollers for best quality laminating control. 1" (25mm) maximum nip opening for wide range substrates.
- . Easy operation panel:
 - Forward and backward control
 - Foot pedal control
 - Various speed adjustment
 - Emergency stop button
- . In order to coating different thickness of material, the laminator is equipped a roller that comes with a lifting height indicator.
- . Paired with photocell eye, it can protect the roller from damaged.
- . Highest productive and great value.
- . Electric model, with stepless speed regulating, with foot pedal switch.
- . Full auto self peeling model, automatic take-up roll for both printed images and back paper..

Application:

After printing finishing equipment. Available for photographic, advertising and copy shops to do lamination work, adding protective layer on books cover, photographic, color pages, documents, charts, drawings, indoor advertising products, etc.

Applicable Laminating Medium:
Photo paper, self adhesive, PP, backlit or transparent film.

Warranty and aftersales service:
One year warranty.
24-hour technical support services by email or calling.
User-friendly English manual for machine using and maintenance.
