Overview

- "RC" means this item is laminated with PE on both sides, different from `common` photo paper with better waterproofing ability. It is not easy deformed and convenient to store, thus more suitable for maritime provinces.
- As the surface coating has been treated for waterproofing, it can be apply to outdoor.
- Mainly used for Roll up banner, X banner stand and poster.
- The matte surface makes the printed color more vivid and the picture more beautiful, leaving profound visual impression.
