### Overview

- Custom printed, single-sided graphics will create a striking presentation
- Breakdown design and carrying case make users' stands more portable
- Easy to fix, sold at a competitive price, made in an attractive design, lightweight and durable

This outdoor banner is perfect for creating eye-catching presentations within any trade show display. The portable display banner stand is made of aluminum, giving it a lightweight yet attractive design that is also very durable. This banner stand, also known as a trade show stand, features movable clips to adjust the height of the graphics.

This banner stand is sold with its own custom-made vinyl banner. Users simply have to submit their artwork using the provided template.

This outdoor banner comes with its own carrying case, therefore making it perfect for traveling to and from any trade show event. With an adjustable banner pole, the banner stand uses a single-sided banner to generate more attention to any presentation or display. The aluminum display is easy-to-assemble with its screw-in poles and custom-made banner.

This product is a great tool to draw attention to any product our service that is being promoted.

#### Application:

For trade shows, promotional activities and conferences.
