Overview

This pop-up counter is quick and easy to set up with eye-catching graphics that project your branding to the market. The curved, polished wood counter top, completes the professional look.

The counter comes complete in two padded nylon cases for the light-weight frame and counter top, plus the graphic.

The sturdy frame sets up quickly with magnetic bars that clip into place. The graphic has magnetic strips that hold it in place on the frame. The counter top fits easily in place.

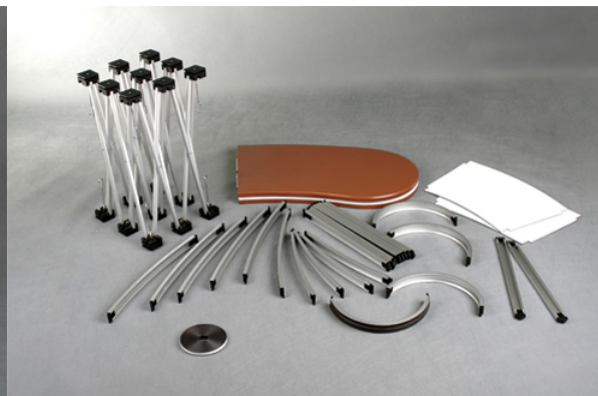

The graphic wrap is printed on our high quality poly/sandtex laminate with a stoplight backing to provide additional rigidity. Outstanding quality.

The back of the counter is open with handy shelves for storage.

Application:

Perfect for trade shows, exhibitions or other promotions.
