### Overview

#### Stable Frame with Elegant Outlook

This Magazine Rack is made of high quality aluminum alloy, it is equipped with 4 layers of acrylic holders and trays. It has an improved and elegant surface with a stable main frame that is excellent to hold magazines, brochures and more with a better visual angle. A logo can be added to the lintel to make it more personalized. The magazine rack is portable and easy to install as well to take apart; it will be much easier to place all the exhibit materials in shows activities.

#### Application:

The Magazine Rack is mainly use in sales promotion activities.
