### Overview

- Double-sided display
- Economy priced
- Features snap open frames and locking casters

This poster stand, also known as a pavement sign, offers a great way to draw customers into `your` restaurant or store. This sidewalk stand features a durable, brushed aluminum construction that is perfect for indoor and outdoor use. Snap open frames allow for quick poster changes, while a lightweight design ensures easy transporting. Your graphics are protected by non-glare, clear PVC lenses. Use this poster stand in storefronts, entryways, or right outside of your business. Like all outdoor displays, this stand is not indestructible and should be left outside with discretion; it is not intended for severe weather.

Application:

Perfect for indoor and outdoor use.
