Overview

- High-quality aluminum-alloy main frame
- Smart, easy to take
- Easy to install and take apart
- Elegant, fashionable outlook
- Edging could be opened that pictures could be changed freely
- With spring, more stable when heavy wind
- Stable and beautiful base
- Different from `the` former herringbone displaying style, it displays vertically to take up smaller space.

Description:

The Poster Stand is made of high quality aluminum-alloy. Cloth graphic surface fixed by slots ensures the flatness. It is portable and easy to install as well as take apart. The edging could be opened, making it very easy to change pictures.

Application:

Shopping mall, office building, business building and so on.
