QA

Q	What ink does this machine use?	
A	It uses sublimation ink.	Reply by sign-in-china
Q	What is the price of sublimation ink?	
A	It's \$89/L, made in USA.	Reply by sign-in-china
Q	Can the transfered color fade easily?	
A	The ink has strong penetration into `fabrics` without print gaps, so its lasting time is many years.	Reply by sign-in-china
