Description:

Place this pop-up display in your booth and instantly you've defined your space and created a warm environment for doing business. The 7.5ft wide area is perfect for extensive images and messages. The trade show booths sets up and folds down in just minutes. Users extend the banner simply by pulling it open. The display frame is latched in place after the PC hooks are buckled. The graphic is set into the brushed aluminum frames using 3-piece magnetic bars and magnetic tape. Every set of pop-up display comes with a heavy-duty travel case at no extra cost. The travel case includes roller wheels, dual handles, and lock-and-key security.

Application:

This pop-up displays sets up in minutes and is perfect for trade shows, conventions and exhibitions.

7.5ft Curved Pop Up Display-Selflocking Connections

POP UP SYSTEM - SET UP INSTRUCTIONS

- 1, You will find all the needed components in the carrying case

- 2, Remove frame, magnetic bars and the graphic panels from the carrying case

- 3, Place the frame on the floor with hubs with graphic hangers facing up and towards you. Grasp frame scissors and lift to expand frame

- 4, Apply the bars to all vertical quadrants on front side of the frame and to each end on back side of the frame. For a double sided frame, apply the bars also on the back side of the frame.

- 5, Hang the graphic panels on the top hub-hangers letting panels attach to bars. Do the same on both end-caps of the frame.

- 6, Close the transport case, put the black table top
