Overview

- **Material:** Aluminum structure, nylon bags , carbon pole.
- **Weigh:** 2.2 Kg
- **It counts with 8 mesh pockets for more storage.**
- **Oxford carrying bag with a zipper and a handle to easily move.**

This magazine rack has a unique design; it will catch the attention of the public in no time. It is perfect for anyone who needs a lightweight, portable and with different store options, like magazines, brochures, information books that must be displayed. It is portable or permanent holder and it can be used in tradeshow, presentations or it can be used in a store.

It is made of black mesh and has 8 pockets; with a weight of 2.2kg. It is perfect for transporting or moving because it has an easy roll up system and an easy storage in a large nylon bag to carry the entire magazine stand. The magazine stand has a few pieces to arm, so it's nearly impossible to misplace a piece in the transporting process. We also include an aluminum tension rod for an easy assemble and a metal footing piece to keep the magazine stand firmly in place.

Application:

Perfect for any tradeshow or presentation.
