Overview

This retractable banner stand features a beautiful bamboo design to help you create a distinctive presentation which passersby cannot ignore! Its surface adopts high-density-layer combined bamboo panels and the inside is superb aluminum slide-tubes. We also designed the bamboo bag for it to achieve a perfect package.

This item was developed on the base of our first generation. It has changed the fragile parts and inside constructure, and added anti-vibration box to resolve the transportation problem.

Features:

- . Bamboo construction is hard-wearing, lightweight and eye-catching
- . Retractable design is easy-to-use yet takes up little storage space
- . Custom graphics will stand out among competitors'
- . Antivibration box to keep it during transportation

Application:

Perfect for use during a trade show presentation or sales environment.
