### Overview

- High-quality aluminum-alloy main frame
- Smart and easy to take
- Easy to install and take apart
- Elegant and fashion outlook
- The edges could be opened to freely change the pictures.
- Stable with heavy winds
- Stable and beautiful base
- Different from `the` former herringbone displaying style, it displays vertically to take up smaller space

The poster stand is made of high quality aluminum alloy. The exquisite surface and the stable main frame would offer you a perfect deployment for your posters; Its portable and easy to install as well as take apart. The edging could be opened, which makes it easier to change the pictures.

**Application:**

Shopping mall, office building, business building and more.
