Overview

- . 95% constructed from Eco-Friendly bamboo
- . Superb stability with a small footprint
- . Combines high functionality and low environmental impact
- . Easy to set-up and take down

Constructed of 95% bamboo, for the Eco-Friendly, these banner stands are dimensional, stable, and easy to install. With a tensile strength comparable to steel, bamboo has the viability to replace wood and metal components. These GREEN products offer the same high performance features as other Banner Stands.

Application:

Ideal for indoor use in retail stores, salons and spas, hotels, showrooms and more.
