Overview

- Simple structure
- Easy to carry
- In different configurations
- With fabric or graphic panel

Material: Aluminum, foam panel(or PVC, wood panel), plastic connectors.

Tradeshow Booth Display- Eight Panel Quick Folding Blue Hook and Loop Fabric Wall for VELCRO® brand fasteners.

Each panel of this folded panel display measures 60w x 90h(cm), total display is 240cm wide (end panels fold inward to fit into 10' display booth). This folded display panel is covered with blue fabric that securely holds VELCRO® brand hook and loop fasteners. All you need to do is apply your posters, sell sheets and acrylic accessories with VELCRO® brand hook and loop fasteners and press onto the display. The panels easily fold up into the included canvas-carrying bag and can be setup in just 3 minutes. Lightweight panels fold and snap together for quick set up and take down. Our units are in stock and ready to ship.
