Overview

- Sets up quickly
- Easy and practical to use, very convenient
- No sliding or distortion
- Fortified telescopic pole
- Clip paper, fabrics and LED, LCD, etc.

This Boni poster banner is developed together with Singapore customers. To be used where Boni telescopic poles cannot be used. This poster banner is a floor-style stand, so it could be widely used. Its main target customers are chain shops, small stores, shopping malls, hotels, etc.

This poster banner can be set up quickly while not altering the decoration of the place. Features a superb steel base that is stable and solid, weighing a total of 4.4kgs. The fortified telescopic pole could hold things up to 10kgs. No sliding or distortion. The clip on it could clip paper, fabrics and LED, LCD, etc.

The size of the picture each unit holding can reach 180cm.

Suggested width: within 90cm.

Suggested weight of the picture: within 10kgs

Several units could be combined to use.

Application:

Best suitable for chain shops, small stores, shopping malls, hotels, etc.
