### Overview

- . Compact & Elegant.
- . Fully digital temperature control.
- . Automatic digital timer.
- . Easy pressure adjustment.
- . Solid steel welded framework.
- . Digital control makes it easy to operate.

#### Description:

The Mug Heat Transfer Machine is smart and portable. It can be used at malls, flea markets, shows, and so on. You can transfer any beautiful images you like to the ceramic and metal cups by this cup heat machine. Also you can adjust the cup mold according to the sizes of cups.

**Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.**

#### Guarantee & Aftersales Service

Comprehensive guarantee for one year except the wearing parts.  
24-hour technical support by email or calling.  
User-friendly English manual for machinery using.
