Overview

**It fits for 12-25cm height logo and signage.**

Product Features:
1. High performance-price ratio, Luminous Flux per Module: 76lm,
Luminous efficiency: 63 lm/w
2. Good quality: We adopt the package process and aluminum PCB which improve the whole item heat dissipation and increase the service life.
3. Constant current driving: This design make the whole product brightness more equality and provided a long lift-span Warranty.
4. High protection level: Adopting PC shield and the package process which make the protection level real get to IP65.
5. Easy to install, maximum cascade number: 50PCS modules; cut between
modules is allowed. A single module can work alone, convenient to use.
6. Reliable operating time: 3 years warranty (12h per day).

Application:
