Overview

Self-locking Fiberglass Frame

Mirage Advantage combines the lightweight durability of a fiberglass frame with the speed of a self-locking frame. Our innovative design brings unmatched durability, quicker installation, even greater weight capacity for showcasing product.

Quick and Easy to Install

Our lightweight, self-locking frame instantly pops up and into `the` place with magnetic connectors. Panels also attach with magnets.

Entice Customers and Prospects

Chinasigns Genuine Graphics are the absolute highest quality. You will always look your best with compelling graphics that are built to last.

Exact-fit Panels

Skyline Panels-both fabric and graphic are computer cut to a tolerance of 0.0672mm.

Including pop-up display without 2 lights.
