This is the strongest pop-up display system on the market today. Heavy Duty construction makes this tradeshow display the perfect choice for frequent travel and heavy use. This full size trade show booth is portable and effortless to setup. Comes complete with halogen lights and deluxe hard case. The frame utilizes aircraft grade 1/2" round extruded aluminum tubing to provide maximum stability and strength, while remaining extremely lightweight.

Displays come with Velcro-compatible fabric (for maximum flexibility), or we can create full graphic displays using your design. Fabric or graphic panels attach easily with magnetic strips to give a seamless professional look. This system is expandable and comes with a variety of accessories.

Application:

Suitable for trade shows, conferences and other exhibition.
