### Overview

- Internal backlit or external spot lighting
- Nylon carry bag, optional hard carry case
- Manufacturers lifetime guarantee on equipment
- Weighs approximately 9 kilos in nylon carry bag

Expand Tower is a Popup Display that provides a full 360-degree advertising opportunity in a portable trade show displays package. The tower with its smooth design is 644mm in diameter by 2220mm high and wins attention from `every` angle. It can be used in indoor and outdoor situations for a different creative option to present your company's logo or message. Further options include spotlights or internal backlighting. Sets up and breaks down in just a couple of minutes, the Expand Tower packs neatly into `a` nylon carry bag and at just 9kilos it is highly portable.

**Application:**

Perfect for trade shows or exhibits.
