Overview

- . Reflection cutting film for traffic area
- . It's easy to operate with great effect
- . It can be cut any shape and letter by cutting plotter

Description:

This reflection heat transfer film can be used for warning in traffic area. The film can be cut kinds of letters, numbers and any other shapes by vinyl cutter. Logos could be cut and transferred on T-shirts and caps by heat press machine. The logo is reflecting at night and it will play a role of traffic warning. The film is widely used for personal T-shirts, caps, sports clothes, uniform clothes, advertising shirts, color flags or mass production. Especially, it is used on the caps or clothes of pupils at school.
