Overview

- Stylish lightweight fabric brochure rack
- 4 pockets version available
- Literature rack rolls flat for very small storage
- Supplied with a carry bag
- Quick assembly

The Reveal Product is a modular literature rack that is easy to use. It is a roll-away literature rack that assembles in seconds and attractively presents standard 8.5" x 11" literature. This product is unbeatable when shipping space is an issue!

Durable fabric pockets and aluminum frame set up to use as instant literature display or magazine racks. The entire literature display then rolls down into a canvas bag for ease of carrying. Literature fits snugly into pockets.

Application:

Great for tradeshow, exhibitions, and conventions.
