### Overview

#### Features:

- . Magnetic Auto Open Feature.
- . Over-center pressure adjustment.
- . Digital time and temperature controller.
- . 15 x 15 inch Teflon coated upper heat platen.

#### Description:

The semi-automatic heat press machine uses advanced air spring with high temperatures and pressure to make an exact transfer on t-shirts, pants cloth, etc. Its top heating board will rise up automatically at the time it was set up, and using the same alarm settings for the next transfer.

#### Warranty & aftersale service
