### Overview

The magazine stand is perfect for people who travel often because it is lightweight (1.6 kgs.) and portable. It can be used in tradeshow or demonstrations due to its easy setup and portability. It can hold or display brochures, magazines, publications, and it is a great way to distribute information and save time.

It has four pockets to display any material, it's lightweight and has a durable mesh, features metal bars between the pockets to keep the edges steady and with a professional look. Comes with a durable black carrying case to protect, store and to easy carry around. Also includes a tension iron rod, metal top and bottom bars for firm support.

#### Application:

Perfect for any tradeshow or presentations.
